

Section 6 - CMS

ine.com

Task 6.2

- Using the API, sync HQ users to CMS and generate a space for the users.
- Use the administrator credentials to authenticate against AD server hq-internal-dns.ine.com on port 389
- Use the below information for building the coSpaces:
 - baseDN: OU=hq,DC=ine,DC=com
 - LDAP server address: hq-internal-dns.ine.com
 - Username/Password: administrator@ine.com / C1sc0123!
 - coSpaceUriMapping: \$sAMAccountName\$.join
 - coSpaceSecondaryUriMapping: \$sAMAccountName\$.meet
 - coSpaceCallIdMapping: \$ipPhone\$
