

Device Driver README First Document

Device Drivers:

The IBM Tape Device Drivers Installation and User's Guide can be found at the following Website:
<http://www-01.ibm.com/support/docview.wss?rs=577&uid=ssg1S7002972>

To access the latest device drivers, go to <http://www.ibm.com/support/fixcentral>

1. Under "Product Group" select "System Storage"
2. Under "Product Family" select "Tape Systems"
3. Under "Product Type" select "Tape autoloaders and libraries"
4. Select "TS3500 Tape Library....."
5. Make your selection on the next screen.

Encryption Key Manager:

For detailed information about the EKM (Encryption Key Manager), see the *IBM Encryption Key Manager component for the Java™ platform Introduction, Planning, and User's Guide*. To access this document and the latest Encryption Key Manager JAR go to
http://www.ibm.com/support/docview.wss?rs=1139&context=STCXRG&dc=D400&uid=ssg1S4000504&lc=en_US&cs=utf-8&lang=en

Tivoli Key Lifecycle Manager (TKLM):

LTO Ultrium 6 drives using the LME encryption method require TKLM as its key manager. EKM is not supported with LTO Ultrium 5 drives using LME. For more information, or to purchase TKLM, go to:
<http://www-01.ibm.com/software/tivoli/products/hey-lifecycle-mgr/>

To search the IBM Tivoli Key Lifecycle Manager Information Center, visit the Web:
<http://publib.boulder.ibm.com/infocenter/tivihelp/v2r1/index.jsp?topic=/com.ibm.tklm.doc/welcome.htm>

IBM Tape System Reporter:

For detailed information about the IBM Tape System Reporter (TSR) application, see the *IBM Tape System Reporter User's Guide* document. To access this document and the latest TSR program, go to:
<http://www-304.ibm.com/systems/support/supportsite.wss/selectproduct?brandind=5000034&familyind=5329831&continue.x=20&continue.y=13&oldbrand=5000034&oldfamily=5329831&oldtype=0&taskind=2&psid=ap>
 click on Software and look for the IBM Tape System Reporter application).

SMI-S Agent for Tape:

For detailed information about the SMI-S Agent for Tape, see the *IBM TotalStorage SMI-S Agent for Tape on Linux Systems Installation Guide*. This document is available through the IBM Publications Center on the web at:
http://www-1.ibm.com/support/docview.wss?rs=1119&context=STWRXB&dc=D400&uid=ssg1S4000479&lc=en_US&cs=utf-8&lang=en

To learn more about TPC, go to <http://www-03.ibm.com/systems/storage/software/center/index.html>

IBM Tape Diagnostic Tool:

Documentation on ITDT can be found at

<http://www-01.ibm.com/support/docview.wss?uid=ssg1S4000662>

How to obtain ITDT

IBM Tape Diagnostic Tool is available to download at IBM's new [Fix Central](#) web site. If using this link you will just need to choose your platform and press continue. Check the box next to the correct version and click continue. On the next page you can start downloading ITDT.

If the Fix Central Link above does not work then go to:

<http://www.ibm.com/support/fixcentral> and select the following options:

Product Group = Storage Systems

Product Family = Tape Systems

Product Type = Tape device drivers and software

Product = Tape Diagnostic Tool (ITDT)

Select the platform needed and press continue.

Select the appropriate box for the version desired and click continue.

On the next page you can start downloading ITDT.

In addition to the installation file, a README file is provided. This Readme only contains issues and limitations that did not make it into the IBM Tape Diagnostic Tool documentation.
