

Section 1 - Phone Registration and IM&P

Task 1.4

- Users in SB-CUCM need to log in to Jabber. Ensure the following requirements are met:
 - Configure user STEVE ROGERS with the following requirements:
 - + Extension should be set to 3003
 - + Use Trivial caller names such as “Steve Rogers”
 - + Phone should display globalized calling number (+19723033003) on the top left-hand corner of the phone screen.
- Manually configure the advanced settings in Jabber to allow users must to log in.
- Once complete, log in to Jabber-2 PC using the account `steve-rogers@ine.com`.
