

## Section 2 - Dial Plan Part 3

[ine.com](https://ine.com)

# Task 2.7

- Create a LUA Script on HQ-SME which changes the Remote Caller ID for calls coming from PSTN to HQ or SB UCM.
- When PSTN calls HQ Phones or SB Phones, SME should change the Remote Caller ID to “INE\_PSTN”
- Verify by placing a call from PSTN to HQ Phone 1 or Site B Phone 1. The phones should display “INE\_PSTN” as the caller ID.
