

## Section 6 - CMS

[ine.com](https://ine.com)

# Task 6.5

- Configure a local CMS space named “Test Space” that will allow HQ phones to dial 884111111 to enter the space or login via WebRTC on Jabber 1 PC to join the same space by making a call to 884111111@hq-cms.ine.com
- Verify by dialing 884111111 from Jabber on Jabber 1 PC using Tony Stark's account and by joining the space from HQ Two's account using Cisco Meeting App on Jabber 1 PC.
