

MINITOR VI PPS R01.09

Customer Release Notes

For any questions, please contact Customer Resources at 1-800-927-2744.

I. Enhancements

PPS release to support added level of falsing adjustment offered in Firmware R01.06.

Firmware R01.06 required on pager units for this offered level to work.

Note: Falsing adjustment only to be used in special circumstances to reduce page alert falsing.

II. Corrections

None

III. Known Issues

None
