General Information

The Kenwood TK-2160/3160 are part of Kenwood's LMR Business radio series. Setting the pace with a compact, simple and reliable design, Kenwood's TK-2160/3160 portables are the new benchmark of performance. With such features as priority scan, VOX, and MIL-STD 810 & IP54/55 weatherproofing, these units are all set to work rain or shine. - From ICOM Website
