

**MASTER NUMERICAL INDEX**  
**ALL DIVISIONS**

**1. GENERAL**

- 1.01** This section provides a numerical listing of all indexes released as Bell System Practices and the subject(s) covered by each.
- 1.02** A bullet (●) indicates an item that has been added or changed since the previous issue of the index.
- 1.03** A square (□) indicates a canceled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Canceled items and related notes will be deleted upon reissue of the index.
- 1.04** If the number shown below ends in -000-000, it is the numerical index for that division. Any other number indicates an index such as alphabetical, permuted, interdivisional, etc.
