

BELL SYSTEM PRACTICES - PLANT SERIES
GENERAL PLAN

1. GENERAL

1.001 This addendum provides a method for handling field comments on Bell System Practices, in the Mountain States Company.

1.002 Field comments on Bell System Practices should be recorded on a form E-3973 and forwarded

through departmental lines of organization to the Switching Facilities Engineer (General).

1.003 The Switching Facilities Engineer (General) will send the form E-3973 to the A. T. & T. Co. Bell System Practice Coordinator.
