

BROADBAND RESTORATION CHANNELS
PROTECTION STATUS REPORTING

1. GENERAL

1.01 This appendix supplements Section 002-503-906PT.

1.02 It is reissued to update the listings of protection channels.

Note: Marginal arrows have been included to indicate changes.

1.03 It lists protection channels, grouped by location responsible for reporting their status. The list shows protection switch section, protection designation, and PAROCC coded status number. Radio and coaxial protection channels are grouped together in the same list.
