

**SAFETY PRECAUTIONS
CATHODE RAY TUBES**

1. GENERAL

- 1.001 This addendum supplements Section 010-110-002.
- 1.002 It is issued to change the instructions for disposal of electron tubes to agree with safety practices within the company.

4. DISPOSAL

The following changes apply to Part 4 of the section:

- (a) 4.03 - revised
(b) 4.04 - added

4.03 If the instructions in 4.01 cannot be met:

- (1) Return the electron tube to the Western Electric Co. for disposal.
- (2) Pack the tube in the original packaging or other suitable container for shipping.

4.04 Do not destroy or mutilate any part of the tubes in field locations.
