

TOOL

SCISSORS – DESCRIPTION

1. GENERAL

- 1.01 This section covers noncoded Bell System scissors.
- 1.02 When this section is reissued, the reason for reissue will be listed in this paragraph.
- 1.03 The information contained in this section supersedes the corresponding information in Section 074-755-101.

The C scissors have the back of one blade provided with two notches for stripping plastic insulated conductors.

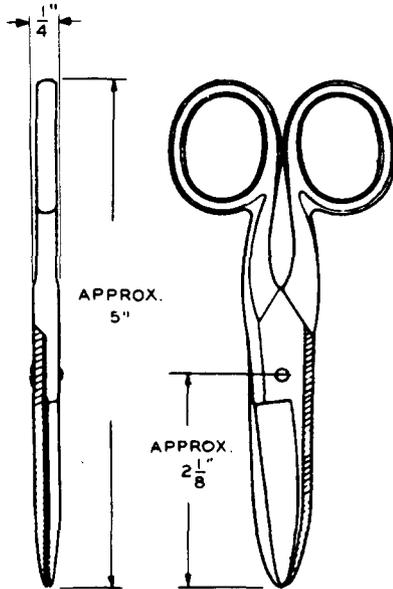

The D scissors are provided with stripping tips at the ends of both blades and a notch on one blade for stripping the larger conductors.

Replace the B splicer scissors, electrician scissors, and R-1682 scissors.

For general use. (Specification AT-7987)

C AND D

In ordering, specify the scissors desired.

NOTICE
