

LADDER
K-3125 COMBINATION

1. GENERAL

1.001 This addendum supplements Section 081-741-900PT, Issue B.

1.002 It is issued to change the height requirement of the combination ladder when it is used as an extension ladder.

3. OPERATION

The following change applies to Part 3 of the section:

(a) 3.01 --- revised

3.01 To use as an extension ladder, start from a closed or folded position. Slide the narrow section up to the desired height, and place the two rung hooks of the narrow section over the appropriate rung of the wide section. The ladder shall not be fully extended and must have a minimum overlap of 3 feet. Never extend the K-3125 Combination Ladder, or any other combination ladder, to a height that will exceed the minimum 3-foot overlap limit.
