

CENTRAL OFFICE WALK-THRU INSPECTION

1. GENERAL

1.001 This practice is issued to establish a walk-thru inspection of central offices.

1.002 A walk-thru inspection shall be conducted daily at all attended central offices and on each visit to unattended central offices.

1.003 The purpose of the walk-thru will be to detect obvious items that need immediate attention, e.g., low battery water solutions, power equipment out of service, excessive equipment busied out, building security, housekeeping, safety and building equipment items.
