

DISTRIBUTING FRAMES
AND ASSOCIATED EQUIPMENT
ALPHABETICAL INDEX

1. GENERAL

1.01 This index lists sections associated with various types of main distributing frames, combined distributing frames, and associated protector frames commonly used in central office buildings. ESS and COSMIC modular interconnecting frames and protector frames are also listed.

1.02 This section will be revised periodically.

1.03 Miscellaneous apparatus sections not listed in this index can be found in the Master Alphabetical Index for all divisions, Section 000-000-001.
