

**LINE LOAD CONTROL
OPERATING METHODS
NO. 1 CROSSBAR OFFICES**

1. GENERAL

1.01 This addendum to Section 216-105-301 is issued to advise all offices using Line Load Control to report to the Division Plant Manager and Plant Operations Supervisor by telephone the time, date, reason and duration when applying Line Load Control.

1.02 This report should be made as soon as possible after Line Load Control is effected.
