

TOUCH-TONE
DETECTOR TEST CIRCUIT SD-1A151-01
TESTS AND ADJUSTMENTS
2-WIRE NO. 1 ELECTRONIC SWITCHING SYSTEM

1. GENERAL

1.001 This addendum supplements Section 231-136-501, Issue 5.

1.002 This addendum is issued to add information in preparation for tests B through H.

2.002 On pages 11, 14, 17, 21, 22, 24, and 26, change the step referring to remount of circuit pack to read as follows: Remount circuit pack A151 removed in Step 19 preparation, and remove all connections established in Fig. 2 and Step 19.1.

2. CHANGES TO SECTION

2.001 On page 4, under Tests B through H, add Step 19.1 as follows: Strap circuit pack A151 connector pin 1 to pin 0.
