

CLEARANCES FOR MULTIPLE DROP WIRE IN THE HEAVY LOADING AREA

1. GENERAL

1.001 This addendum supplements Section 462-500-017, Issue 2.

1.002 This addendum is issued to add a paragraph to Part 1 regarding the placing of aerial drop wire over swimming pools.

1.003 Add the following paragraph:

1.07 Clearances over public and private swimming pools are not covered by the National Electrical Safety Code. However, for reasons of safety, sanitation, and appearance, aerial multiple drop wire crossings over swimming pools should be avoided.
