

TELEPHONE APPARATUS AND MATERIALS

COLOR

1. GENERAL

- 1.01 This section lists the colors of currently manufactured telephone sets and associated station apparatus and materials.
- 1.02 This section is reissued to:
- Add new apparatus to Table A.
 - Change Table B.
- 1.03 Handsets, cords, and dials are available in matching colors. No provisions have been made to continue production of telephone sets or
- their components in colors rated Manufacture Discontinued (MD).
- 1.04 The term promoted color indicates that apparatus listed in this section is manufactured in quantity. (See Table A.)
- 1.05 The term nonpromoted color indicates that apparatus listed in this section is manufactured in limited quantity. (See Table A.) A nonpromoted color may be obtained by customer request and only on special order.
- 1.06 This section should be used as a guide to assure color compatibility when selecting apparatus for a specific installation. ↵
