

GLADWIN GP-4065 AND GP-4165  
COIN TELEPHONE SHELF-ETTES  
DESCRIPTION, INSTALLATION, AND MAINTENANCE

1. GENERAL

1.01 This section provides description, installation, maintenance and ordering information for the GP-4000 series of coin telephone shelves manufactured by Gladwin Industries, Inc.

1.02 GP-4000 series Shelf-Ettes are free standing with the upper portion of the shelf constructed of heavy duty, clear plastic. No provisions are made to attach the shelf to a wall without the leg assembly.

1.03 The legs are constructed of either black enameled steel or brushed aluminum. Stainless steel is available on request.

1.04 GP-4000 series Shelf-Ettes are shipped completely assembled, less the leg assembly. The leg assembly is also shipped assembled. The two units are bolted together on the job, with the bolts provided in the shipping carton.

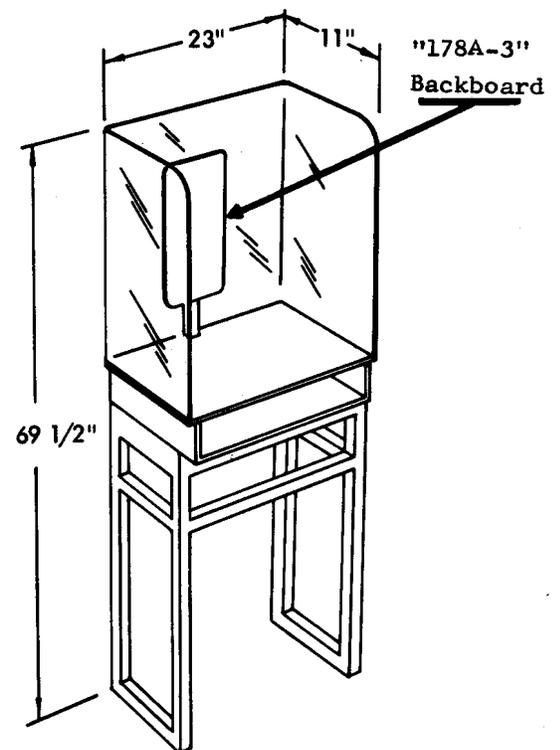

1.05 These Shelf-Ettes can be ordered to accommodate one, two or three coin telephones of the 200, 1A or 1C type.

2. DESCRIPTION

2.01 The GP-4065 Shelf-Ette is made of clear, heavy duty plastic mounted on a black enameled steel stand. It is available with a No. 76 directory block or the No. 91 directory shelf (as shown in Fig. 1). Order List 1 for a single Shelf-Ette, List 2 for a double and List 3 for a triple. See Fig. 1 and 2 for dimensions.

2.02 The GP-4135 mounting stand is designed

to mount GP-4065 Shelf-Ettes. It is made of black enameled steel. Order List 1 for single Shelf-Ettes, List 2 for double, and List 3 for triple. Also available in stainless steel and brushed aluminum on request.

MODEL: GP-4065 LIST 1 E/W No. 91 DIRECTORY SHELF  
AND GP-4135 LIST 1 STAND

Fig. 1

2.03 The GP-4165 Shelf-Ette arrangement includes a GP-4065 Shelf-Ette E/W Dropette Directory and E/W GP-4137 stand. (See Fig. 3) The leg assembly is made of brushed aluminum. Stainless steel or black

painted stands are also available. Order List 1 for single Shelf-Ettes, List 2 for double, and List 3 for triple. When Dropette Directory is ordered, specify binder width 1", 2", or 3".

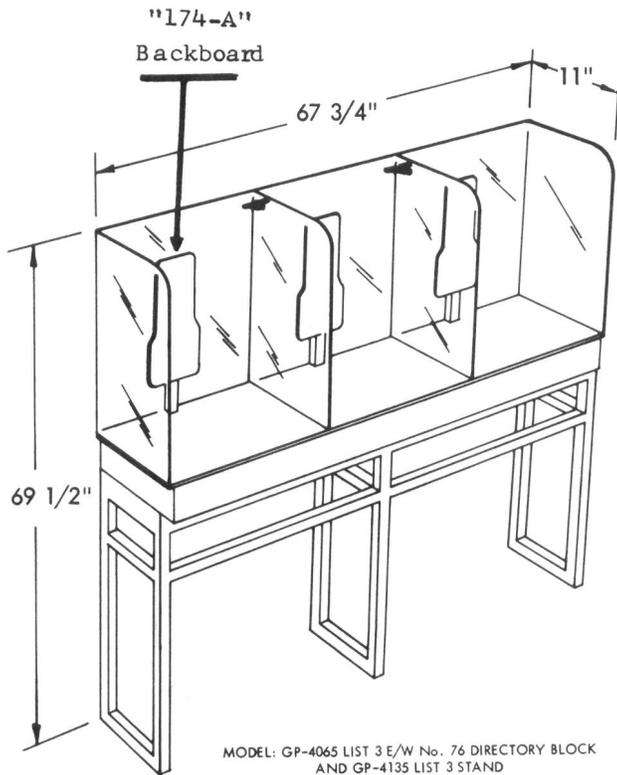

Fig. 2

2.04 The GP-4137 mounting stand is used to mount the GP-4065 Shelf-Ette E/W Dropette Directory.

2.05 Standard colors available are: Walnut, Cherry, Black Suede, and Gold Galaxy.

### 3. ORDERING INFORMATION

#### EXAMPLE

(Quantity) GP-4065 List 1 Color - Walnut  
E/W No. 91 Directory Shelf  
E/W 178A-3 Backboard  
E/W GP-4135 List 1 Stand

### 4. ASSEMBLY AND INSTALLATION

4.01 Ensure that location specified on service order corresponds to customer wishes. The following conditions should be met.

- (a) Free of such hazards as stairways, narrow passageways, uneven or unsafe floors.

- (b) Avoid locations near heating vents, sinks, radiators, fuse boxes, or switches and areas subject to water.
- (c) Within full view of the public.
- (d) Readily accessible to customers.
- (e) In a well lighted area.
- (f) Ensure that wall will provide a secure mounting for wall mounted shelves.
- (g) A vertical surface must be provided for mounting the coin telephone set. A tilt greater than 1-1/2 degrees in any direction can cause coin chute malfunction.

4.02 The bottom horizontal sections of the leg stands have holes drilled in them to enable the installer to fasten them securely to the floor surface. Security and safety considerations require that all leg stands be fastened to the floor by screws of a type, length and color consistent with the finish of the leg stand and type of floor surface.

TABLE A		
Mounting Hardware		
Floor	No. Req'd.	Fasteners
		Type
Wood	4	5/16 x 5 inch Toggle Bolt 5/16 x 3 inch lag bolt
Concrete	4 and 4	3/8 x 2½ inch Hex Head Machine Bolt 3/8" Expansion Shields (Star Loxin)

## 5. MAINTENANCE

5.01 Normal maintenance of GP-4000 series shelves will require cleaning with a mild soap and water.

5.02 Piece parts are not available for repair replacements. A complete Shelf-Ette or leg stand must be ordered as needed.
