

43 KEYBOARD 5- AND 8-LEVEL

PARTS

CONTENTS	PAGE	
1. GENERAL	1	1.03 When ordering replaceable components, unless otherwise specified, prefix each part number with the letters "TP" (ie, TP430722). Before ordering, verify that a particular spare is applicable to the type of keyboard in service.
2. PARTS	2	
3. NUMERICAL INDEX.....	4	1.04 Troubleshooting information for these parts is provided in Section 574-502-300 for the basic keyboard and Section 574-502-301 for the buffered keyboard.
1. GENERAL		
1.01 The parts in this section are used in the 43 Keyboards.		1.05 Disassembly/reassembly information for all keyboards is provided in Section 574-502-720.
1.02 This section is reissued to redefine the parts listing and to add the 43K103/CAA and CAB (unitized) and the 43K202/GAB, GAF and GAG (buffered) keyboards.		1.06 Parts for the unitized keyboards 43K103/CAA and CAB are not shown since these keyboards are not field servicable.

2. PARTS

KSR Keyboard — 43K101/CAA and CAB

BSC or BSR (5-and 8-Level) Keyboards -- 43K202/GAB, GAF and GAG

RO Keyboard — 43K001/AAA

3. NUMERICAL INDEX

3.01 Parts listed are not maintenance spares but may be ordered separately for local repair of the keyboard.
