 is not authorized to receive messages.

f553 *a335*

 You may enter another number

f555 *a15,a17,a18,a101,a102,a103,a104*

 To access your mailbox, press star R.

f556 *a621,a1015*

 To exit, press star pound now.

f557 *a620*

 In most cases, entering a star or pound as the first digit will result in the star or pound being outpulsed. A star entered as part of the digit string will be interpreted as a pause of one and a half seconds. If a longer pause is required, use multiple stars in a row.

f560 *a620*

 If you are programming a number to call a pager that requires a pound sign termination, press y to hear further help. Otherwise, press n to return to outcalling administration.

f561 *a6,a7,a912*

 You are addressing your message.

f562 *a116,a117,a193,a194,a195,a196,a894,a932,a933*

 Enter the

f563 *a116,a117,a193,a194,a195,a196,a932,a933*

 digit extension

f565 *a309*

 Outcall canceled for new messages currently in mailbox.

f566 *a53*

 You are responding to an outcall notifying you of new messages.

f567 *a53*

 Either logging in or pressing star pound will result in the outcall being canceled for the new messages currently in your mailbox. If additional new messages arrive, another outcall will be scheduled."

f569 *a697*

 To modify, press one. If finished, press star pound.

f570 *a512,a883*

 Recorded name too long

f641 *a257*
  Message cannot be both a login announcement and private.

f642 *a259*
  Message cannot be both broadcast and a login announcement

f643 *a149*
  You are choosing options for this message. There are no options currently set.

f644 *a155*
  You are choosing options for this message. With the current settings,

f645 *a145,a149*
  Private messages cannot be forwarded by the recipients.

f646 *a144,a1166*
  A priority message will be delivered before other messages and will be flagged for special attention in the recipient's mailbox.

f647 *a842*
  the message will be private.

f648 *a156*
  the message will be priority.

f649 *a135*
  the message will be broadcast.

f650 *a139*

  the message will be a login announcement.

f651 *a164*

  the message will be private and priority.

f652 *a140*

  A broadcast message is delivered to every subscriber on this machine. You may also address a broadcast message to subscribers on other machines.

f653 *a274*

  For broadcast options, press star M.

f654 *a134*

  the message will be broadcast and private.

f655 *a141*

  A login announcement will be played each time any subscriber logs onto this machine. You may also address a login message to subscribers on other machines.

f656 *a494*

  For login announcement options, press star M.

f657 *a133*

  You are choosing options for this broadcast message.

f658 *a831*

  Message waiting notification is currently not active.

f659 *a130,a146,a831*

 Message waiting notification will alert all local subscribers of this message. This option should be used sparingly, for it can impact system performance.

f660 *a160,a161*

 Expiration date specifies the last day this broadcast message will be available to subscribers. The expiration date does not apply to a broadcast message already received by a subscriber and saved in their mailbox. The default expiration date is the second day after the scheduled delivery date.

f661 *a143,a160,a163*

 To approve these options, press pound.

f662 *a146*

 Message waiting notification is active.

f663 *a110*

You are being prompted to turn paging on or off.

f1247 *a1080*
in your caller PIN list is

f1248 *a1080*
To skip to the next PIN, press pound.

f1249 *a1080*
To delete this PIN, press star D.

f1250 *a1080*
To add a new PIN, press 1.

f1251 *a1081*
You are reviewing your list of caller personal identification numbers.

f1252 *a1082*
You are being prompted to add a caller personal identification number to your list.

f1253 *a1081,a1082*
When call screening is turned on, callers will need to enter one of these PIN's in order to contact you or have you paged.

f1254 *a1082,a1087*
Caller PIN's must contain between three and ten digits

f1255 *a1082*
and cannot contain the star or pound characters.

f1256 *a1084*
To add a caller PIN to your list, enter the PIN, followed by the pound sign.

f1257 *a1083*
Your list already contains the maximum number of caller PIN's. You must delete an existing PIN before adding a new one.

f1258 *a1085*
Caller PIN

f1259 *a1085*
added to list

f1260 *a1086*
Duplicate entry.

f1261 *a1086*
The caller PIN you just entered is already contained in your list.

f1262 *a1086*
Please enter a different number.

f1263 *a1109*
Please enter more digits, or pound sign.

f1264 *a1087*
Caller PIN's cannot contain more than

f1265 *a1113*
Caller PIN's cannot contain the star or pound characters.

f1266 *a1074,a1102*
To change paging status, press 5.

f1267 *a1090*
Incoming external call for

f1268 *NONE*
Or, press star H for help.

f1269 *a1090*
To speak with the calling party, please enter your password, followed by the pound sign.

f1270 *a1091*
This is an automatic system, trying to forward a call to

f1271 *a1091*
A password must be entered to complete the call.

f1272 *a1091*
Please enter the password, followed by the pound sign.

f1273 *a1089*
Please stay on the line.

f1274 *a1093*
Please enter your PIN now.

f1275 *a1096*
Please re-enter the PIN or press 1 to leave a message.

f1276 *a1071*
A reach attempt is about to be made.

f1277 *a1071,a1089*
This may take up to

f1278 *a1067*
We were unable to reach the paging service.

f1279 *a1071,a1089*
Please stay on the line as we try to reach

f1280 *a1071*
Or, press 1 to leave a message.

f1281 *a1097*
To transfer to the paging service

f1282 *a1097*
press two now or hold to leave a message.

f1283 *a1090*
Incoming call for

f1284 *a620,a1077*
In all cases, entering a star or pound as the first digit will result in the star or pound being outpulsed. A star entered as part of the digit string will be interpreted as a pause of one and a half seconds. If a longer pause is required, use multiple stars in a row.

f1285 *a620*
If you are programming a number to call a pager that requires a pound sign in or at the end of the digit string, press y to hear further help. Otherwise, press n to return to outcalling administration.

f1286 *a622,a1077*

Wherever a pound sign is required in the digit string, enter star pound. For pagers requiring a pound sign termination, end your digit string with star pound pound.

f1287 *a622,a1077*

If a pause is required before a pound sign, enter star star pound.

f1296 *a1106*

Your party was not available.

f1297 *a1102*

To change personal identification numbers, press 4.

f1298 *a1110*

System not administered for reach service.

f1299 *a1107*

To change call screening status, press 3.

f1300 *a1074*

To review or change the personal identification numbers used by callers when you have call screening turned on, press 4.

f1301 *a1107*

To change your BPCS password, press 5.

f1302 *a1074*

To hear this help message again, press star H.

f1303 *a1104*

Your list of caller personal identification numbers contains

f1304 *a1111*
You are not authorized for reach service.

f1305 *a1112*
PLease enter an outcalling option. To hear a
list of options, press 0.

f1306 *a1071*
You will be put on hold while we dial the number
where the person you were calling can be
reached. If they answer, you will be connected
with them.

f1307 *a1092*
No PINs active.

f1308 *a1068*
please press two now, followed by your PIN, or
hold to leave a message.

f1309 *a1114*
For help, press *H again.

f1310 *NONE*
Up to 58 characters may be entered.

f1311 *a1077*
Up to 29 characters may be entered.

f1312 *a1077*
To repeat this help, press *H *H.
