

Partner® Voice Messaging Release 3 Important Information for Users

This document provides information that was changed after the documents packaged with the system were printed.

Important Information:

The instruction given on page 3 of the Using Partner Voice Messaging Guide for returning to the login prompt is incorrect.

After you have logged in to the voice messaging system, to return to the login prompt you must press *7.

Note: Available only with Release 3.0 (R3L) or later.
