TABLE OF CONTENTS

Listed below are the contents of this handbook as of the above date. Check the handbook against this list, order missing sections, UIS's and TM's. Initial, date and file the Table of Contents in this handbook.

Refer to HB 3 Section 71 for Special Test Precautions for Electronic Devices.

Handbooks 0 and 3 are required to supplement the information contained in this handbook.

This Table of Contents is arranged to indicate the organizations responsible for the sections of the handbook. All inquiries pertaining to the contents of this handbook should be directed to the appropriate Regional Technical Assistance Center (RTAC) contact listed in the Job Specification or in General Information Handbook 3, Section 0.

The Temporary Memoranda listed below constitutes part of this handbook and shall be filed ahead of the Table of Contents and any other document that may be authorized for inclusion ahead of the T of C:
