

DATA TEST CENTERS

MAINTENANCE DIRECTORY

1. GENERAL

1.01 This section lists the Data Test Centers in operation as of May, 1980. It shows the number and type of position and the services for which these positions are used. It also shows the hours of coverage and the telephone numbers at which these Test Centers can be reached.

1.02 This section is reissued to bring the directory information up-to-date.

1.03 Plant Data Specialists are encouraged to help keep the directory up-to-date by submitting corrections on Form E-3973 as covered in Section 000-010-015.

NOTICE

Not for use or disclosure outside the
Bell System except under written agreement
