

904-TYPE DATA TEST CENTERS

MAINTENANCE DIRECTORY

1. GENERAL

1.01 This section lists the 904-Type Data Test Centers in operation as of September 1, 1966. It shows the number and type of position and the plant with which these positions are used. It also shows the coverage, and the telephone numbers at which these positions can be reached.

1.02 This section is reissued to bring the directory information up-to-date and to show the area codes normally served by each Data Test Center.
