

CABLE AND LINE OR STATION TRANSFERS

1. GENERAL

1.001 This Addendum is issued to introduce Form SW-6314, Line or Station Transfer, to be used in lieu of Form E-2575 in the Southwestern Company.

1.002 This Addendum provides that Forms SW-6574 and SW-6574a be used in lieu of Forms E-2574 and E-2574a in the Southwestern Company.

LINE OR STATION TRANSFERS

2.03(a) (Change this paragraph to read:)

Form SW-6574, Line or Station Transfer, is used to list information required where several lines or stations are to be transferred. See Exhibit 1.

2.03(b) (Change this paragraph to read:)

Form SW-6574a, Line or Station Transfer - Exchange Wire, is used to list information required where several lines or stations, involving wire, are to be transferred. See Exhibit 2.

2.03(c) (Change this paragraph to read:)

Form SW-6314, Line or Station Transfer, is used in conjunction with service order assignment to list information required to transfer lines or stations to clear facilities. See Exhibit 3.

Forms SW-6574 and SW-6574a may be used in connection with service order assignment, as required. Refer to Addendum 680-300-013SW for procedures for preparation of line or station transfers.
