LONG LINES SALES AND ACCOUNTING
OFFICES DECODE INFORMATION

1. GENERAL

1.01 This appendix is issued to aid the field in identifying Long Lines sales offices, government communications offices, and accounting offices for the purpose of forwarding form E-5855, Maintenance of Service Charge, on interstate services.

1.02 Three charts are attached for this purpose.

(a) Long Lines sales offices can be identified by converting the first four digits of the System Service Order (SSO) number that is shown on the CLR card. The office area and

address of the sales offices are shown opposite the 4-digit code in Chart A.

(b) Long Lines government communications offices are shown in Chart B.

(c) Long Lines accounting offices are shown in Chart C. The accounting office code shown on CLR cards by two alpha characters can be converted in Chart C to provide mailing addresses for these locations.

(d) The attached charts will be updated and distributed by General Administration Plant Toll as required.
