953-114-100 Code 12	1	Speed of Answer and Auxiliary - Service Observing Circuits
953-115-100 Code 12	1	Cord Service Observing Circuits

Section 953-000-000 is a new section providing a numerical index of System-issued sections in Division 953 covering general descriptive information on switchboards, desks and associated equipment. This Division has been established as a result of the conversion of the 950 Series.

With the exception of the section described above all sections transmitted with this list have been converted from the 950 Series without raising the issue number.
