Plug removers and attachers.

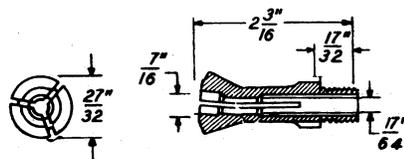

These tools consist essentially of a horizontal hollow shaft which is equipped with a crank and contains a chuck. This shaft is provided with a collar whereby the chuck is adjusted to grip the shoulder of a plug. The two tools are identical except for the chuck.

These tools replace the Nos. 200, 201 and 202 tools.

The No. 316 tool is for use in removing Nos. 109, 110, 309 and 310 plugs from or attaching them to cords.

The No. 317 tool is for use in removing 47-type plugs from or attaching them to cords.

→ TOOL, 318 A&M Only.

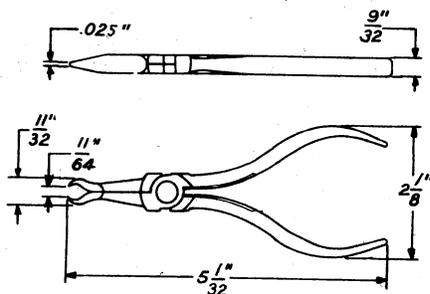

Plug remover and attacher. This tool, in conjunction with the No. 200 tool, is equivalent to the No. 317 tool. Do not order this tool unless the office is equipped with the No. 200 tool.

For use in removing 47-type plugs from cords.

TOOL, 319 Manufacture Discontinued.
 Replaced by the No. 319B tool.

→ TOOL, 319B

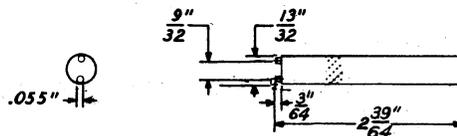

Lamp cap and number plate extractor.

Replaces the Nos. 87, 112, 125, 140 and 319 tools.

For use in removing 2- and 4- and 8-type lamp caps and 59-, 60- and similar type number plates.

→ TOOL, 320

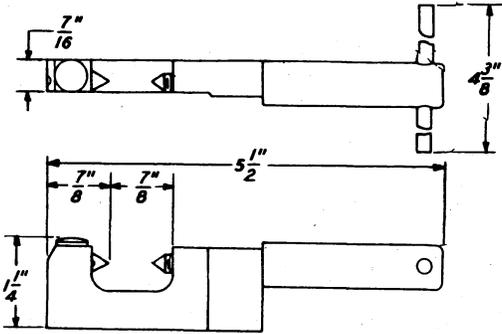

Pin Wrench.

For use on flush type bulletin holders.

TOOL, 321 Manufacture Discontinued.
Replaced by the No. 353B tool.

TOOL, 322

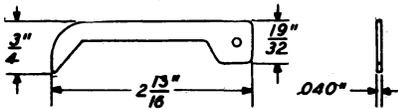

Bearing staking tool.

For use on l type bearings having Schatz ball bearing units used on vertical drive shafts.

TOOL, 323 Manufacture Discontinued.

TOOL, 324

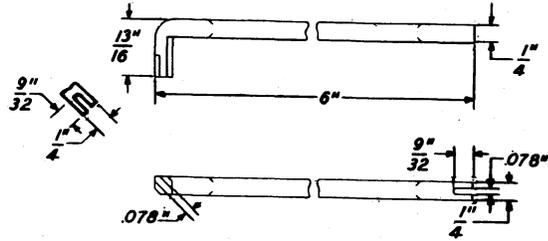

Relay blocking tool.

For use on the B.C.O. relay on plunger type line switches.

TOOL, 325 Manufacture Discontinued.
Replaced by the No. 325B tool.

Bell Telephone Laboratories, Inc.

TOOL, 325B

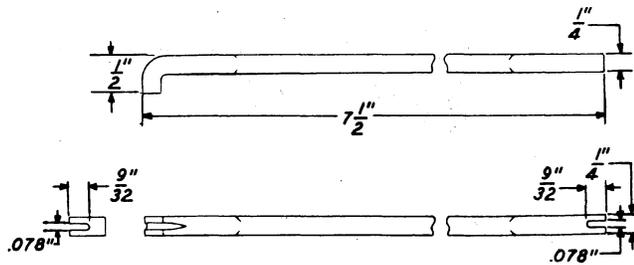

Adjuster.

Replaces the No. 325 tool.

For use on clutches, panel elevator apparatus 200, 204 and 206 type selectors, and panel multiple bank guide combs.

TOOL, 326 Manufacture Discontinued.
Replaced by the No. 326B tool.

TOOL, 326B

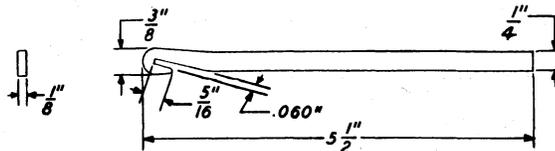

Adjuster

Replaces the No. 326 tool.

For use on clutches, No. 50A drives, panel elevator apparatus, and L, N and S type relays.

TOOL, 327 Manufacture Discontinued.
Replaced by the No. 50B tool.

TOOL, 328

Guide adjuster.

For use in adjusting l type guides.
