

NONCODED TOOLS

COMPRESSOR SETS AND EXHAUSTERS

COMPRESSOR SET, KS-7491 LIST 1: Manufacture Discontinued
Replaced by KS-14514 List 1 compressor set
For piece part data (KS-7491 List 1), refer to Section A501.911
COMPRESSOR SET, KS-7491 LIST 2: Manufacture Discontinued

→ COMPRESSOR SET, KS-14514 LIST 1 (115-volt, 60-cycle, a-c)

A 25-foot air hose and a duster gun, a 25-foot rubber-covered attachment cord with a non-polarized plug, two double-open-end wrenches for adjusting the pilot unloader and an offset bar for removing the exhaust valve cover caps are furnished with the compressor set. Some of the earlier sets furnished did not include the offset bar; it may be ordered separately as covered below.

To order replacement wrenches or the offset bar, use the following wording, omitting information in parentheses.

TM-1013 Wrench (1-9/16" and 15/16") for KS-14514 List 1 Compressor Set.
TM-1014 Wrench (1-3/8" and 1-1/16") for KS-14514 List 1 Compressor Set.
No. 5652 Valve Removal Tool (offset bar) for KS-14514 List 1 Compressor Set.

For piece part data, refer to Section A501.910
For apparatus requirements and adjusting procedures refer to Section A401.910

Used for cleaning central office apparatus with compressed air.

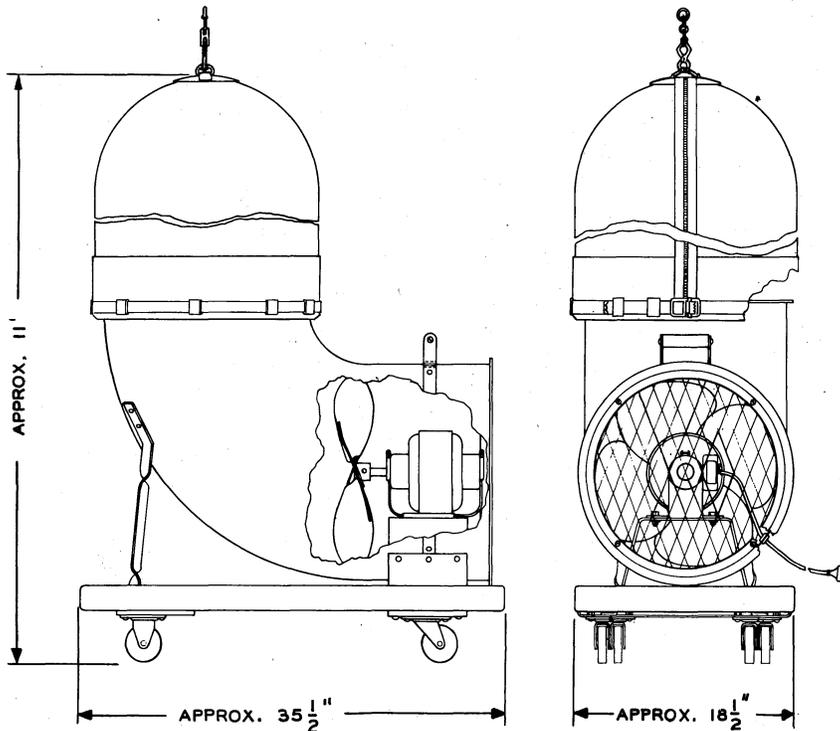

SECTION A707.042

EXHAUSTER, KS-8038 LIST 1, Manufacture Discontinued
Replaced by the KS-8430 List 1 exhauster
EXHAUSTER, KS-8038 LIST 2, Manufacture Discontinued
Replaced by the KS-8430 List 2 exhauster

EXHAUSTER, KS-8430 LIST 1, Manufacture Discontinued
Replaced by the KS-14426 List 1 exhauster
EXHAUSTER, KS-8430 LIST 2, Manufacture Discontinued
EXHAUSTER, KS-8430 LIST 3, Manufacture Discontinued
FILTER BAG, KS-8430 LIST 4, Manufacture Discontinued
Replaced by the KS-14426 List 4 filter bag
CONVERSION PARTS, KS-8430 LIST 5 (for converting KS-8038 exhausters)
Manufacture discontinued

EXTENSION COLLAR, KS-14458 (for lengthening the intake end of the KS-8430 Lists 1, 2 and 3 exhausters to facilitate fastening the curtain).
For piece part data and other information, refer to Section A501.913

→ EXHAUSTER, KS-14426 LIST 1 (115-volt, 60-cycle, a-c)

A list 4 filter bag and a 25-foot rubber-covered attachment cord equipped with a non-polarized plug are furnished with this exhauster.

To order a replacement filter bag use the wording below, omitting information in parentheses.

KS-14426, List 4 - Filter Bag (for replacement purposes for either KS-8430 or KS-14426 exhausters)

For piece part data, refer to Section A501.914.

For requirements and adjusting procedures, refer to Section A401.914.

Used for collecting airborne dust when cleaning central office apparatus with compressed air.
