1. GENERAL

1.01 This BSRS provides an alphabetical index of available Bell System Repair Specifications which have been covered in BSRS Lists 365 through 372 prepared by the Indiana Publication Center. It is the intent that BSRS Lists issued subsequent to List 372 are to be considered supplementary to this alphabetical index until it is reissued. It is the plan to reissue this index annually.

1.02 Changes and additions are indicated by asterisks (\*) in the left-hand margin.
