Installation and Maintenance

SECTION C16.902
Issue A, 9-1-54
N.Y.Tel.Co.,M

DIVISION MAPS

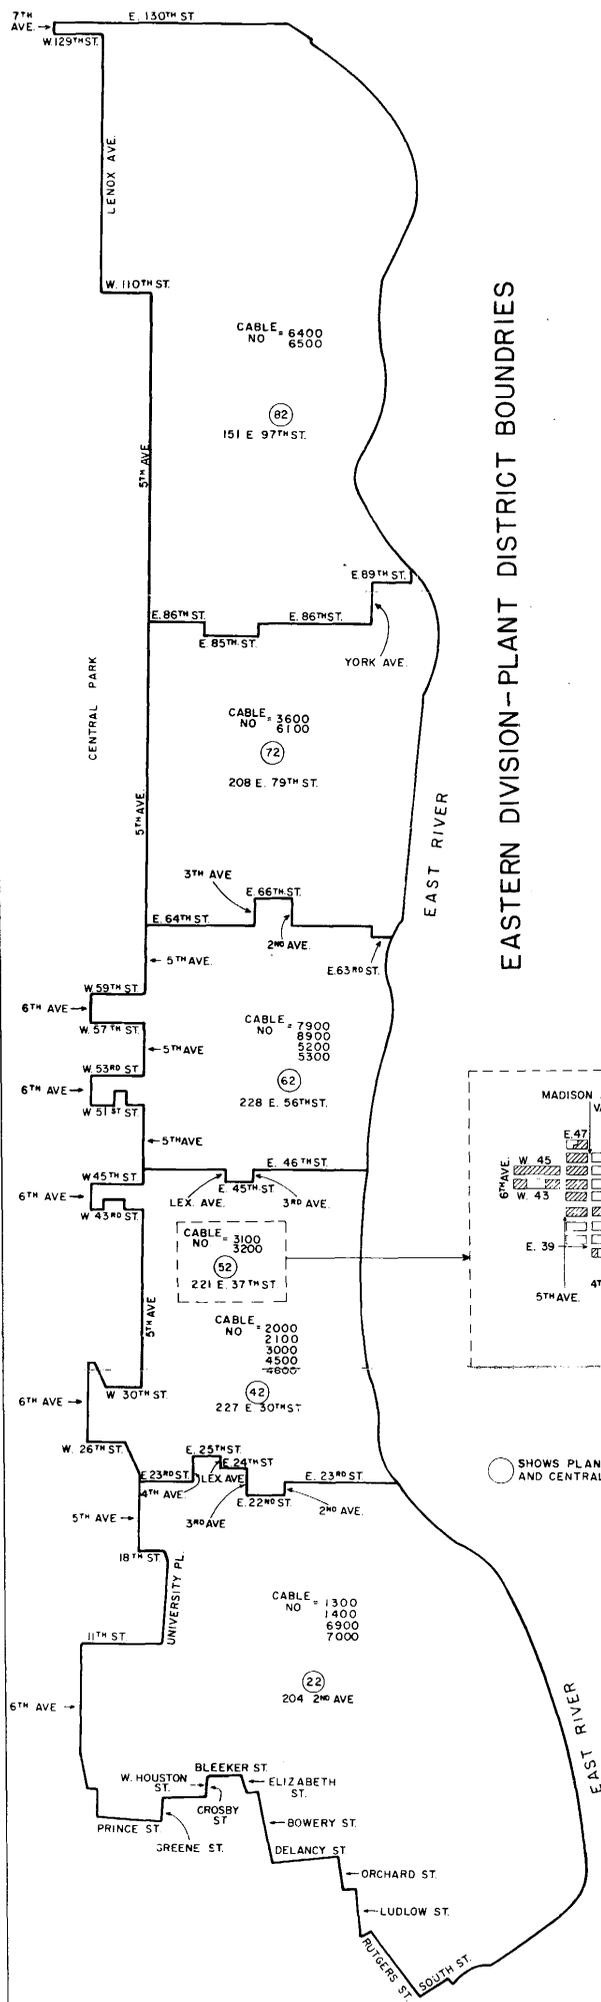

This practice is issued to show Manhattan by Divisions, Plant Districts and Central Offices associated with each District.

To facilitate accounting procedures, each Plant District is assigned a number. This number will permit the Accounting Department to allocate all time and material to the Plant District in which work is done.

All field people should be familiar with the Plant District number in which assigned and where work is performed.
