ADDENDUM C32.111
Issue 2, March, 1955
AT&T Co Standard

HAND TELEPHONE SETS DESK TYPE DESCRIPTION

1. GENERAL

1.01 This addendum supplements Section C32.111, Issue 3. It includes information on the coding of hand telephone sets equipped with retractile cords previously covered in Addendum C32.111, Issue 1. This addendum is issued to add information pertaining to colored desk-type hand telephone sets.

1.04 Change to read: **Retractile Cords:** All desk-type hand telephone sets included in this section may be equipped with retractile handset cords. The code number of sets so equipped will be the same as for hand telephone sets equipped with standard handset cords except that the suffix R will be added to the set code. For example: a 202A-3 hand telephone set equipped with a retractile handset cord would be coded 202AR-3. Hand telephone sets ordered with the suffix R will be equipped with retractile handset cords when received.

1.05 Add paragraph as follows: **Colored Finishes:** The 205 and 208 desk-type hand telephone sets are available in black only. The 202, 203, 206, 207, and 215 types are available in the colored finishes shown below.

<u>Apparatus Color</u>	<u>Color Code</u>
Black	-3
Ivory	-4
Gray-Green	-19
Pekin Red	-20

Example: A pekin red 202A hand telephone set would be coded 202A-20.

Note: Sets other than black finished in the above colors will be equipped with a white lacquered dial case and a clear plastic dial finger wheel.
