

GUARDING WORK AREAS

JOB PRESURVEY - WORK AREA PROTECTION

NOTES CONCERNING THIS ADDENDUM

This addendum is issued to provide additional instructions on the use of a motor vehicle for barricade purposes, and to delete information not applicable to this Area.

The following Paragraphs should be marked "See Addendum" and treated as indicated:

- Paragraph 1.06 - Supplemented
- Paragraph 1.07 - Replaced

1. GENERAL

1.06 In this Area, the use and placement of a motor vehicle in the travelled portions of a street or highway for barricade or convenience purposes will be determined by the immediate supervisor in charge of the particular work operation. When a motor vehicle is used for this purpose, it should be placed in accordance with other Sections of the Practices covering Guarding Work Areas, Underground and Buried Cable Plant, except that the motor vehicle may be placed on the far side of the open manhole or excavation from oncoming traffic and parked in the same direction as the normal flow of traffic.

1.07 In this Area, when a motor vehicle is parked in the travelled portion of a street or highway for barricade or convenience purposes, it shall always be parked in the same direction as the normal flow of traffic.
