

## DROP AND BLOCK WIRING

### STRAND ATTACHMENTS

#### NOTES CONCERNING THIS ADDENDUM

This addendum has been reissued to change the location specified for drive hooks. It also includes instructions for running multiple drop wire from C span clamp to pole.

"See Addendum" should be written at the following paragraphs which should be treated as indicated.

- Paragraph 3. 01 - Supplemented
- Paragraph 3. 02(a) - Supplemented
- Paragraph 5. 03 - Supplemented
- Paragraph 5. 04(a) - Supplemented

#### 3. RUNNING DROP WIRE FROM C SPAN CLAMP TO POLE

3. 01 Place not more than one (1) multiple drop wire between the C span clamp and the pole or guard arm attachments.

3. 02(a) See Section G32. 125. 1 for location of drive hooks.

#### 5. REUSE OF B SPAN CLAMP ON SUSPENSION STRAND OF LASHED CABLE

5. 03 Change "#2 Lashed Cable Support" to read "16 inch B Lashed Cable Support" and "#4 Lashed Cable Support" to read "28 inch B Lashed Cable Support."

5. 04(a) See Section G32. 125. 1 for location of drive hooks.
