

DROP AND BLOCK WIRING

PLACING DROP WIRE

VOLTAGES LESS THAN 300 INVOLVED

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G32.137.1 and provides additional instructions for placing drop wire over power service drops.

The cross-reference, "See Addendum" should be written at Paragraph 5.01 of Section G32.137.1, which is supplemented herein.

5. PLACING WIRE ELSEWHERE THAN OVER STREET OR HIGHWAY

5.01 NOTE: In general, one man can place drop wire over power service drops by planning his work so that it will not be necessary to drag the drop wire over the power service drops, thus causing abrasions. When this is impracticable two or more men shall be employed.
