

B RURAL WIRE
STRINGING SAGS

NOTES CONCERNING THIS ADDENDUM

This addendum provides for the use of one set of sag tables for placing B Rural Wire in California.

The cross-reference, "See Addendum", should be marked in Section G34.101.4 to indicate the following:

Paragraph 1.01 - Replaced
Min. sag columns in all tables should be crossed out.

1. GENERAL

- 1.01 The recommended sags only in the sag tables shall be used in placing B Rural Wire.
