

CONDUIT AND MANHOLES

CONDUIT TYPES AND USES

NOTES CONCERNING THIS WR-SHEET

This WR-Sheet supplements Section G40.060.1 with information on the availability of fiber conduit.

The cross-reference "See WR-Sheet" should be written in Section G40.060.1 at Part 7.

7. FIBRE CONDUIT

7.01 The manufacture of C Fibre Conduit has been discontinued and B Fibre Conduit is now regularly available in 1, 2, 3 and 4 inch sizes only. The 3½ inch size may be obtained on special orders for 50,000 duct feet or more.
