ADDENDUM G50.668.3
Issue A, January, 1949-S
T. P. T. & T. Co.

CABLE SPLICING - GENERAL

SECTION REPLACEMENT - INAUDIBLE TONE

METHOD

NOTES CONCERNING THIS ADDENDUM

This Addendum supplements Section G50.668.3 with a correction of the wording in Paragraph 1.03.

The cross-reference "See Addendum" should be written in Section G50.668.3 at Paragraph 1.03 which is replaced herein.

1. GENERAL

1.03 The set will not operate through loading coils. Therefore this method cannot be used if the section to be replaced includes loading coils.
