

## CABLE DANCING - GENERAL

### NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G52.141.1 and has been issued to insure the notification of the Chief Engineer's Department of any case of cable dancing in this area.

The cross-reference, "See Addendum," should be written in G52.141.1 at Paragraphs 3.02 and 3.03 which are supplemented.

### 3. DETECTION OF DANCING

3.02 and 3.03 All cases of cable dancing observed in this area or of damage which appears to have resulted from dancing shall be reported to the Outside Plant Practices Engineer in the Chief Engineer's Department before the installation of permanent arrangements for preventing the motion.
