

TERMINALS - MOUNTING

VIDEO PAIR TERMINALS

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G61.150.1 and is being issued to cancel certain instructions which conflict with those in other sections of the practices.

All references in Paragraphs 6.04, 6.05, and 6.07, regarding the preferred pair positions in 38A Terminals should be deleted. Refer to the section of the Practices entitled, Cable Splicing - General - Video Pairs to determine the method of terminating and marking video pairs in this area.
