

ELECTROLYSIS DRAINAGE
WIRE CONSTRUCTION
SPECIAL CONSTRUCTION

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G63.120.7 and has been issued to refer to California clearance requirements.

Paragraph 4.01(d) is replaced and should be so marked.

4. MECHANICAL PROTECTION

4.01(d) On jointly used poles drainage wires shall be located and protected as specified in standard Practices covering Clearances for Aerial Plant.
