

PRESSURE TESTING

RESIN PLUGS - GENERAL

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G73.157.1 with information on additional protective hand cream material and modifies instructions regarding precautions taken before handling Resin materials.

The following paragraphs should be marked "See Addendum" and treated as indicated.

Paragraph 2.04 - Supplemented

Paragraph 3.02 - Supplemented

2. TOOLS AND MATERIALS

2.04 Add the following material to the list in the main section.

Kerodex 55	Available in 1 lb. jars. Washable cream for use with Kerodex 71. Same as No. 51, but is particularly effective against mineral, vegetable and animal oils as well as solvents.
------------	--

3. PRECAUTIONS

3.02 Protective Hand Creams: Kerodex 55 hand cream may be used in place of Kerodex 51 for added protection against mineral, vegetable and animal oils as well as solvents. Two applications of each type, water repellent Kerodex 71 and washable Kerodex 55, recommended for persons particularly susceptible to skin irritation.
