

MANHOLE PLATFORM SUPPORT

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G86, 260.1 and has been issued to provide instructions on precautionary measures to be used when installing "supports" for platforms in manholes.

The following Paragraph should be marked "See Addendum" and treated as indicated.

Paragraph 4.03 is added.

4. USE

4.03 When supports are being installed the hangers shall be securely tied down to the cable racks to prevent the ends of the supports from becoming disengaged. After hangers have been securely fastened to the cable racks, the platform boards can be placed onto the supports and lashed in place.
