

## STUD DRIVER AND MASONRY DRILL HOLDER

This Addendum to G86.265.1, Issue 1, changes the word "goggles" to "eye protection." This allows the use of safety glasses which are adequate when using this tool.

Paragraph 1.03(a) - Replaced

Write "See Addendum" at paragraph 1.03.

### 1. GENERAL

#### 1.03 Precautions

- (a) When driving studs or drilling holes in masonry walls or similar materials, wear eye protection to protect the eyes from flying chips and other foreign substance.
