

POLE DERRICKS

EARTH-BORING MACHINE TYPE

NOTES CONCERNING THIS ADDENDUM

This addendum supplements Section G92, 350.1 and is being issued to include an additional precautionary measure for the operation of the HCT derrick.

"See Addendum" should be marked in G92, 350.1 at Paragraph 4.03 which is supplemented.

OPERATION

- 4.03 The derrick length shall never be changed while the derrick is supporting a load.
