Abstract

This IL provides industry notification of the impending split of the 813 NPA.

Letter Information (Includes safety liability disclaimer (if applicable), ordering information, originator's signature information)

We have been advised by GTE Florida, Inc. that substantial telephone number growth in the Tampa metropolitan area of Florida necessitates splitting the existing 813 Numbering Plan Area (NPA) and the simultaneous introduction of a new 941 NPA.

The 813 NPA split, with the inception of the new 941 NPA, will be done along county borders. The 813 NPA will comprise the counties of Pinellas, Pasco, and Hillsborough. The New 941 NPA will comprise the counties of Polk, Manatee, Sarasota, Hardee, Highlands, Okeechobee, De Soto, Charlotte, Glades, Lee, Henry, Collier, and Monroe.

The split of the 813 NPA is scheduled for 2:00 AM Sunday, May 28, 1995. The permissive dialing period will also begin 2:00 AM Sunday, May 28 1995, and end 2:00 AM Sunday, March 3, 1996. During the permissive dialing period either 813 or 941 will be acceptable in a dialed number terminating in the new 941 NPA. After the permissive period, calls dialed with incorrect NPA codes, as defined in the NPA split information published in the Local Exchange Routing Guide (LERG), will be routed to intercept.

Test calls to verify routing to the new NPA can be made by calling 941-959-1650. The test number will be in-service on April 2, 1995 and will be disconnected on March 3, 1996.

The attached map illustrates the 813 and 941 configuration after the split. A listing of the central offices to be served by each area code after the split is also attached.

The dialing plan for the new 941 NPA will be the same as the existing dialing plan for the 813 NPA:

- All Home NPA (HNPA) direct dialed local calls will be dialed on a 7 digit basis with no prefix, i.e., NXX + XXXX (7 digits).
- All HNPA direct dialed toll calls will be dialed with a prefix "1" and 10 digits, i.e., 1 + HNPA + NXX + XXXX (1 + 10 digits).

Title NANP-Split of 813 (Florida) Numbering Plan Area (NPA)		Six Character External Project Number(s) 2W4011	

- All Foreign NPA (FNPA) direct dialed local and toll calls will be dialed with a prefix "1" and 10 digits, i.e., 1 + FNPA + NXX + XXXX (1 + 10 digits).
- All operator assisted calls including credit card, collect, and third party calls will be dialed with a "0" prefix and 10 digits, i.e., 0 + NPA + NXX + XXXX (0 + 10 digits).

Operational questions concerning the split of the 813 NPA and the introduction of the new 941 NPA may be referred to Skip Gancarz, GTE Florida, on (813) 224-4663.

Copies of this letter are being forwarded to achieve the widest possible industry distribution and may be reproduced for further distribution as needed. Questions concerning the contents of this letter may be referred to Jim Deak, Bellcore, at (201) 740-4594.
