INTRODUCTION OF THE NEW LOCAL OPERATING PRACTICE

LESSON NO. 8

DIVISION A, SECTION 71 - CALLS TO BE CHARGED AND  
NOT TO BE CHARGED FROM MESSAGE RATE AND COIN STATIONS

GENERAL

This new section provides a fairly complete coverage on calls to be charged and not to be charged from message rate and coin stations.

PARAGRAPH 2C

Calls on which no connection is required, such as calls for the time, and in exchanges where special information service is given, inquiries about the weather, road conditions, movies, public events, school bus service, etc., are chargeable calls and should be considered as such unless otherwise locally directed.

Calls on which no connection is required, such as "bell rang reports", "who called me?", "who are you?", etc., are not chargeable calls.
