CHANGE NOTICE

LOCAL OPERATING PRACTICE

Seattle, March, 1941

- DISTRICT TRAFFIC MANAGERS:
- TRAFFIC CHIEFS:
- CHIEF OPERATORS:

Attached: Copy of Division T, Section 6, of the new Local Operating Practice under the subject of "Ticket Work."

This section covers certain general rules governing ticket work which should be followed in the central office.

The method of writing tickets is included in a separate section which will be issued later.

The material included in this section does not cancel any portion of the present practice.

This section should be properly filed in your operating practice binder and this change notice held in your office until the Traffic manager in charge has had an opportunity to review the changes with you.
